

Labs

Name: _____

Gastric bypass patients should have routine labs checked every 6 months for life. Please have your primary care doctor draw the following labs, and fax the results to our office.

After your labs are drawn, please call our office at 704-377-3900 to set up an appointment. As you know, you could become seriously ill if you do not follow-up with us as recommended. We look forward to seeing you soon.

Laboratory, please draw the following:

- Vitamin B12
- Ferritin
- Folate
- Intact Parathyroid hormone (PTH)
- Calcium

Diagnosis: Malnutrition 579.3

Fax results to: 704-409-2077
